School Description

Los Molinos Elementary is located 15 miles south of Red Bluff. We are one of five schools in the Los Molinos Unified School District. Our school is located in a rural setting within the small farming community of Los Molinos. We are a Pre K through 8th grade school and include a Special Day Class with 330 students. We are a School-Wide Title I school and offer students specialized programs in Reading and Language Arts acquisition. Los Molinos Elementary School was recognized as a Title I Academic Achievement School in March of 2005, January 2008, January 2011, and January 2012. In addition we were named a California Distinguished School in 2012. We are proud of the academic achievement and progress our students have made over the past few years and we are making positive progress in closing the achievement gap. Additionally Los Molinos Elementary has continued to improve our API up to 872. Los Molinos Elementary is an "Achieving School" with a strong dedicated staff, excellent parent support and a strong commitment to student success and achievement.

The "Los Molinos School Mission," community Value Statements, and Learner Goals represent the school's direction and can be summed up by our mission statement:

"Our mission at Los Molinos Elementary School is to provide our diverse student community with exceptional educational opportunities that inspire academic achievement and life-long learning."

As a school community we believe:

- Students have the right to a quality education in a safe, friendly, and supportive environment.
- All people learn and grow as unique individuals.
- Diverse cultures enrich our school community.
- Literacy is essential for academic success.
- Communication and cooperation between home, school, and community are essential for student achievement.
- Children need a variety of educational opportunities to develop individual talents and skills.
- Successful students contribute to their own learning through effort, focus, and exploration.
- Service to others enriches life and learning, promotes self-worth, and develops respect for diversity.

A quality education promotes life-long learning.

We are very proud of our students, staff, and parents for earning the highest academic awards in which a school can qualify.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Los Molinos Elementary was constructed in 1962. The school facilities continue to be a focus for ongoing improvement. The playground boxes were the subject of last summer's improvement. The pea gravel was removed and replaced with recycled and shredded rubber. The school annually brings in the CDF (California Department of Forestry) workers to work with our grounds crews in making needed improvements. The Booster Club improved the playground by replacing and painting the wall ball walls and the backboards for the basketball courts and purchased an electronic marquee at the front of the school in previous years. Although the school buildings are old, the school is well taken care of and the community of Los Molinos has access to the fields and play equipment during off school hours.

Los Molinos Elementary is rated as "Good" with an overall rating of 90.63%. A "Good" rating means the school is maintained in good repair with a number of non-critical deficiencies noted.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated

in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parent involvement at Los Molinos Elementary is critical to the success and learning of each child. As part of our school handbook, a Parent Compact is signed at the beginning of the school year. We strongly encourage parents to work in the classroom volunteering and working with children whenever possible. It is district policy that parents who work directly with children are fingerprinted at the County Sheriff’s Department and have a TB test. We have a very active Booster Club which organizes special activities and events that support learning. Most recently, the Booster Club has supported Open House, Back-to-School Night, Field trips, Halloween Carnival, Book Give Away four times a year, and different student sponsored activities. Parent involvement and support is welcome and strongly encouraged at Los Molinos Elementary. If parents want to volunteer their time at Los Molinos Elementary, we encourage parents to contact the office at 384-7903 and set up an appointment to review policy and procedures.

The Los Molinos School Site Council includes representatives of the school, community, and school staff who meet regularly to develop an annual program plan to meet the needs of Los Molinos students. Throughout the year, the S.S.C. monitors and evaluates the school programs, making needed changes on an ongoing basis. All parents and community members are welcome to attend S.S.C. meetings. They are held the third Monday of the months of September, November, February, and May at 3:15 p.m. in the library.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Los Molinos Elementary School has a school safety committee made up of staff, safety officials, and parents. The Safety Plan and Crisis Manual is updated yearly and submitted to the Tehama County Office of Education. Each staff member is provided with a school-wide safety plan. This plan was developed with the guidance and support of the Tehama County Office of Education and our School Site Council. Monthly fire and lock down drills are held and recorded. Earthquake drills are held once a year. Health and safety agenda items are placed on all staff and School Site Council meeting agendas and discussed with staff and parents. All parents or visitors coming on campus must check in with the office and receive a visitor’s badge. The school is fenced around the entire campus. There are security cameras that were installed in the summer of 2011 and an intercom system in 2013. Annual Safe School Summits are attend by administration, office staff, and a minimum of two teachers/instructional aides.

Professional Development provided for Teachers

Curriculum improvement is an ongoing process at Los Molinos Elementary and is coordinated with district and county support and effort. The driving force behind professional development continues to be our Single Plan for Student Achievement. Additionally, Smarter Balance assessment data and surveys from parents, students, and staff contribute to the overall plan for school-wide improvement. Surveys are conducted by the School Site Council committee. The staff development focus goals for the 2015-2016 are:

- All staff will develop yearly plans, pacing calendar, curriculum binders, and alignment charts.
- All staff will analyze student data assessments (Smarter Balance Assessment, ACT Aspire Assessment, CELDT, Unit Assessments), and make curricular adjustments to instruction.

* Ongoing Staff Development regarding scientifically proven instructional strategies and Common Core instruction/standards.

* Positive Behavior Interventions and Support (PBIS)

Types of Services Funded

Types of Services Funded

Information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

1. Academic Intensive Assistance

Los Molinos Elementary offers after school Intensive Remedial instruction for students in grades 1-8 who are classified Far Below Basic, Below Basic and Basic on their State of California exams, Discovery Education Assessments, and school based assessments. Intensive tutoring allows for remedial instruction two days per week for students having difficulty in reading and/or math. This program is established at the beginning of each year and staffed by teachers.

2. Reading Mastery

Los Molinos Elementary offers a supplemental reading program each day from 8:45-9:45 a.m. for students in grades K-6. Students are placed in leveled reading groups for universal access to instructional materials. The supplemental reading program is READING MASTERY SRA program that was approved by the Board of Trustees. Instructional aides paid through Title I along with teaching staff were trained and implemented the program in January of 2006.

3. State Pre School

Los Molinos Unified School District offers a State Pre-School Program at Los Molinos Elementary School. This program is funded by the State of California. Ten students and three supervising adults make up the program. The State Preschool follows the "Doors to Discovery" curriculum that is aligned with the State Pre-School Standards. Parents who qualify and meet income eligibility have the opportunity to enroll their child in this half-day morning program. We are collaborating with the school to increase student numbers.

5. California First 5 Program

Los Molinos Elementary received a four year grant through the State of California for a First Five Program. This program identifies and works with families who have children ages 0-5. The purpose of our First 5 program is to help prepare children for Kindergarten. The First 5 program can be reached by calling 530-384-7903, extension 3319. The First 5 Coordinator is Michelle Rosauer.

6. Sports

Competitive sports are offered throughout the school year for students in grades 6, 7, and 8. Sports are funded from general fund budget. Volleyball, Soccer, Flag Football, Basketball, and Softball are offered for both boys and girls. Students must meet an academic GPA of 2.0 with no F's to be eligible to participate in sports. Students who do not meet these requirements can apply for academic probation.

7. Library

Our school library is open daily for student book check-out. Additionally, students may test out of their books by taking an Accelerated Reader test.

8. Gifted and Talented Education (GATE)

Los Molinos Elementary offers (GATE) instruction through the regular classroom program and as a pull-out program during the school day and after school. Our GATE coordinator oversees the GATE program. Even though GATE money was part of the categorical sweep, our District still supports a full GATE program.

Additional Specialized Programs

Back to School Night – Back-to-school night is held in the fall of each year to share with parents grade level standards and curriculum to be taught for the year.

Open House – an evening activity held in the spring of each year to “Showcase” student work. Booster Club provides a meal along with student entertainment.

Read Across America – March 2nd, this is a celebration of reading each year. Volunteer readers from the community visit our school and talk about the value of reading through their own experiences.

Rachel's Challenge - Anti Bully campaign focused on restoring kindness and compassion. This is a TK-8 grade program.

8th Grade Promotion – the last official activity of the year is to recognize and promote 8th grade students to High School. Awards, speeches, and recognitions are key to the celebration.

8th Grade End-of-Year Trip – 8th grade students raise funds for an end-of-year trip to Marine World. Student then spend the day at the Marine World park in Vallejo as a culminating fun activity.

Accelerated Reader Motivational Reward Programs-

Classes have a friendly competition each week for reading levels. When students pass books on Accelerated Reader, levels are accumulated. The goal is for all students to be at Level 10 by the end of the year. Classes are rewarded weekly by levels earned in the prior week. This year's theme is "Be a Star and Read." Prizes earned are T-shirts, sack packs, and snacks. The Reading Coordinator's stipend and the students' prizes are funded through SSC.

Summer Reading Program.

Students in grades K-7 are provided with a Summer Reading incentive program with the city's library.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
